## ART GALLERY UPDATE

# *Community Exhibition to feature quilts, paintings, photographs, prints*

**T**HE SPRING 2011 GALLERY EXHIBITION will be a chance to see what some of the artists in our community have been up to in the past year or so. Every year we like to have a community show, which allows our creative folks to share something they've been working on, or some new ideas or techniques they're exploring – without needing to fill the whole gallery on their own, or fit into a theme. The last time we did this I think we were all pleasantly surprised by the artwork that was shared. It's always a good way to raise awareness of the artists working in our midst, and give them some space to show their work. We invite artists from the Harrisburg BIC church to participate as well. This show is open to anyone age 2–102. We only ask that the artwork be appropriate for a church art gallery!

If you would like to share your artwork in this show, please send the attached form to Geoff Isley's church mailbox as soon as possible. Or email him at [geoff@isleydesign.com](mailto:geoff@isleydesign.com).

**DETAILS:** All two dimensional artwork (painting, drawing, prints, etc.) needs to be framed and ready to hang on our gallery hanging system. That means a wire on the back of the frame! If your art is three dimensional (sculpture, pottery, etc.) and requires special pedestals or set-up, make sure that is noted as well. Please limit your submissions to three pieces, so there's room for others to share their art too. All artwork needs to be labeled clearly with the artist's name, the title, media, and the date it was completed. **DEADLINE:** Artwork must be dropped off at the church *by March 6th*.
